| Our Goal |

The courses of Gujarat Board (CBSE Board) in 11th and 12th Science are completed by highly qualified and experienced teachers giving the equal priority and separately preparation GUJ-CET Exams which are given innovatively so that the students can perform the best in NEET-UG and JEE-MAIN exams at national level and build their bright career in medical and engineering.

| The Organizers |

If you check the records of years in any institute, you will find that,
"TEACHERS ARE CHANGING IN EACH SCHOOL " BUT...

**“The Only School In Gujarat Where...
... The Teachers Are The Organizers Of The Institute.”**

The Institute that
build the career of the Students...

NEET-UG & JEE-MAIN / GUJ-CET

- During the study of std. 11-12 science, NEET-UG / JEE-MAIN & GUJ-CET are also given equal priority and preparation.
- Along with the board syllabus, complete preparation of NEET-UG / JEE-MAIN & GUJ-CET.
- Detailed materials prepared by experts for entrance test like NEET-UG / JEE- MAIN & GUJ-CET.
- Additional preparation for NEET-UG / JEE-MAIN & GUJ-CET courses is done by school after completion of board exam
- A library with a wide range of 7000 books for preparation of NEET-UG / JEE-MAIN & GUJ-CET exam.

Why is the SOS School in 11th Science ?

- The only institute focusing exclusively on science stream.
- The organizers are the teachers through whom lectures of all the subjects (Physics, Chemistry, Biology, Maths) are taught. Generally in other schools' owners don't teach but do only management while in our school students get benefits of both the teachers and the administrators.
- Administrators are in direct contact with students as they are teachers, so that the students get a direct solution to the study as well as other questions that arise during the study.
- Many students have got admission in the reputed medical institutes like AIIMS as well as IIT getting highest marks through our subject experts' guide.
- Many students who have studied in SOS have settled in the country and abroad and getting higher salary standard.
- The same team of the teachers at both the school - The School of Science (SOS) at Rajkot and Khambhala (Rajkot).
- Healthy competition among students through class work, mega test and phase route test creating stress free environment.
- Guidance and parental contact as per the personal progress report of the students observed every month.

All Results of Student's Will Be Given To Parents By Mobile App
